

Our drinks selection has a nautical theme with rums and gins sourced from around the world. Rum and gin are steeped in nautical history and provided the morale-boosting, twice-daily rations in the Navy from the 18th Century up until 1970. Sailors named these rations "grog" after the "grogam", a long wax jacket often worn while serving up these rations.

We proudly feature a thoughtfully curated and distinctly bespoke cocktail menu. Choose from Signature selection, a daytime Spritz from our Spritz & G&T menu, or a personalized hand-crafted Martini from our Martini trolley.

Wine

At Fleet, we are passionate about preserving the land where the Yarra River flows, originating in Gippsland, North-east of Melbourne, and flowing all the way to Port Phillip Bay through Beechworth, King Valley, Geelong, Macedon Ranges, Yarra Valley, and Mornington Peninsula.

Despite being a relatively young wine region, Victoria has a rich history. Over 500 million years of volcanic activity have left a significant impact on the region's landscape, and about 575 million years ago, Victoria was completely submerged underwater. This has resulted in a diverse range of soils that significantly influence wine production.

Our by-the-glass wine selection aims to showcase the different regions connected to the Yarra River. We also offer a hand-selected range of Coravin wines that capture the true essence of their respective regions.
